

## What to do about making a Will

There are various ways you can help us when making a Will

**A Residual bequest** is either the residue or part residue of your estate after all other legacies, taxes, debts and expenses have been paid.

**A Pecuniary bequest** is a legacy of a specific sum of money.

If you are making a Will for the first time, we advise you to seek professional assistance, usually from a solicitor.

The cost is usually quite reasonable\*. If you've already made a Will, you can add to or change its provisions at any time.

**Contact us for more information.**

\*Banks and Unions often provide, free, a will writing service, or you can visit [freewillsmoth.org.uk](http://freewillsmoth.org.uk)

# Legacies

Just as a Will brings security to your family's future, a Legacy to the Railway Mission will help secure the future of our vital work: **delivering pastoral care to rail staff.**

The support we provide is desperately needed and helps people from a variety of backgrounds take that first step towards a new life of faith.

## What is a Will?

Your Will is the best way to ensure that the people you love will benefit immediately. If you die without having written a Will, they face months of legal wrangling to establish what is rightfully theirs.

**A Will also allows you to make a generous donation to a charity of your choice.**

In the case of The Railway Mission, you could change the lives of many people for the better, so making a Will gives you a lasting memorial by improving the lives of others.

**“Railway Mission chaplains provide the same level of impartial support to rail staff of all faiths or no faith.**

“

We look not to the things that are seen, but to the things that are unseen...

2 Corinthians 4:18

## Your Legacy at work

Are you thinking of leaving a Legacy to Railway Mission? Here are some of the ways in which your Legacy can make an important difference:

**You can fund the work of the chaplains directly** – allowing them to focus on providing consistent pastoral support to rail staff and the travelling public.

**You can help meet the expenses of volunteers** who donate precious time to serve with Railway Mission, including our Community Support Network groups, who provide vital prayer support for rail chaplains.

**You can finance Good News literature** to help us provide and distribute thousands of items, including Bibles, tracts, magazines and calendars, as chaplains traverse England, Scotland and Wales.

**You can enable personal development** and training to continually empower, improve and increase our effectiveness as chaplains and volunteer staff.

**You can secure the future of Railway Mission** for the next generation, so that we can support and help enhance the lives of the rail staff of tomorrow and beyond.
